30th March 2021

Dear Client

New changes to the Victorian Residential Tenancies Regulation 2021 have come into effect.

The following Electrical inspections must now be carried out every 2 years by a licensed and registered Electrician.

- A thorough electrical switchboard examination.
- Compliance check of your electrical appliances, installations and fittings

On completion Finesse Electrics will provide you with a compliance report as per the mandatory electrical reform.

An introductory cost of $299 (ex gst) is offered to our clients. Any small minor repairs will be covered.

- Annual smoke detector safety test can be included with this inspection at a discounted rate of $70 (ex gst) plus parts. (Normally $120 (ex gst) plus parts).

Please don't hesitate to contact us for more information.

Regards

Bernard
Electrical contractor
